Superintendent's Highlights

More and more of our teachers are getting involved with the effective use of technology in the classroom.

We have just nearly finished writing a comprehensive new curriculum with teaching strategies that mirror the standards that we feel are and will be "required" for graduation.

We had a very successful academic, service project fair in which all students K-12 participated.

Progress Towards Meeting District Goals

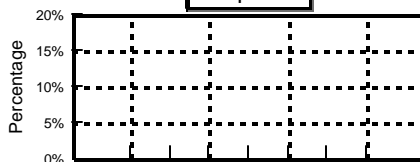

1999-00 Goals	Progress

The elementary and middle school scores on the Direct Writing and Direct Math assessment are on or well above the State average.
Idaho Reading Indicator	We only had four students that scored a 1(7%) on the IRI.
Volunteer Program	Our volunteer program is working well with many volunteers in the school each day.
